SWQM workshop

October 2014

- **CMM FY 2015 meetings**
- **WAP meetings**
- **Updates to the WAP tool**

# WAP tool

The screenshot shows the WAP tool interface. At the top, a welcome message reads: "Welcome Iryckman YOU ARE IN WAP USER TEST ENVIRONMENT". Below this, there are links for "About" and "Logout". The main content area is divided into several sections, each with a dropdown menu and a "Go" button. The sections are: "Special Interest Water Bodies", "Impairments", "Projects", "Meetings", "Reports and Extracts", and "NPS Report".

**Special Interest Water Bodies**  
Information about special interest water bodies.

**Impairments**  
Information by segment, use, impairment category, or parameter

**Projects**  
Information about projects including a description, status, lead and type.

**Meetings**  
Look up meeting comments, add notes

**Reports**  
Generates reports on NPS projects.  
Generates WAP history reports – history of impairments and projects in a segment
